# City/Cité

Managed by the Villa Albertine and the French Embassy in the United States, this program is designed to inspire a new generation of students committed to promoting innovation and change in urban making. The program offers students the opportunity to engage in a 6-week summer school and internship in Paris.

## Program Highlights

- + Become involved in a renowned architecture/planning firm in Paris and design a project that will have a real impact on urban making;
- + Work with a multicultural team with English speaking French students;
- + 1 week of seminars and visits about architecture and urban design in Paris ; 5 weeks of immersive;
- + Discover the rich culture of Paris and its metropolis.

## Eligibility

- + Undergraduate, graduate, and PhD students are eligible to apply.
- + Students in architecture, landscape & urban planning/design from any American university.

## Program Fees €400 including:

- + Pre-registration for local transportation card;
- + Health and liability insurance;
- + Cultural visits and seminars;
- + Internship contract.

*\*Excluding accommodation and flight ticket: discounted accommodation available at the Cité Internationale Universitaire de Paris*
